Association des Chabot

N° 64 Autumn 2023

This cross was inaugurated in 1934 in Gaspé to mark the 400th anniversary of Jacques Cartier's arrival (July 1534). It was erected on its base by Michel Chabot and his partner Fillion using a system of rails, pulleys and cables, pulled by the force of many horses and a tractor.

The Chabotteries is a quarterly newsletter published by the Association of Chabot.
