ITINERARY OF THE TRIP TO OUR ROOTS FROM SEPTEMBER 11th TO 25th, 2025

Message from the president

Greetings to all the members of the Association des Chabot.

At the time of publishing these lines, we are a few days away from leaving for France. You will be able to accompany us virtually from day to day by following the enriched and detailed itinerary of

this journey to our roots (pages 14-16). The highlight of the trip will of course be the blessing of the commemorative plaque in honor of Mathurin Chabot, on September 22, at the Church of Saint Hilaire de Nalliers, his native village.

The fundraising campaign for this project was a resounding success. The \$3500 target has been exceeded: 3705,96\$. The list of donations and the names of donors is published on page 17.

Annual General Meeting 2025

The AGM will be held on **October 12th** at the Chabot Sugar Shack in Neuville. On this occasion, a souvenir slideshow of the trip and a video of the inauguration of the commemorative plaque will be presented. We will also highlight other special moments of the trip. Notably: our visit to the church of La Ventrouze, birthplace of Marie Mesangé, wife of Mathurin Chabot

We will also highlight our visit to the city of Jarnac, where Count Guy Chabot comes from. He entered legend by winning a duel with his unexpected and fatal sword blow (Jarnac's blow).

The town of Jarnac has also adopted the coat

of arms of Maison Chabot (opposite) as its official emblem.

During the AGM, our guest of honor will be Misses Francine Carbonneau, widow of our founder, Claude Chabot.

The program of the day, the menu and the AGM registration coupon can be found on pages 18 to 20 of this magazine, as well as on our website and on our Facebook page. We will be waiting for you in large numbers on October 12th, starting at 09h30 AM.

Need for news genealogists

We need new blood on the genealogy committee to support Diane Chabot-Pard and myself in order to continue supplying the Brother's Keepers (BK) with new names of descendants of Mathurin.

However, to preserve the integrity and confidentiality of the genealogical data compiled to date by Claude and Diane, only one person must enter the data into the bank. However, this person can be helped by others who each contribute to the search for new data, for example by sifting through death notices, searching on Ancestry, in censuses, etc.

The Société de généalogie de Québec (<https://www.sgq.qc.ca>) gives many training sessions in genealogy, at low prices: often between \$15 and \$30 per session. For example, on October 25, 2025, the SGQ will offer an online training session, given by a seasoned expert, to learn how to use BK. The registration cost is \$30.

Any member interested in joining the genealogy committee will receive support and financial assistance to train and/or subscribe to resources deemed useful by the CA. Welcome. We hope that some members will take advantage of this opportunity.

Marie-France Chabot (80), president.

******ERRATA******

In issue 69 of the journal, two errors were found.

Page 4, in the right column, an O was missing from the spelling of Maryo Tremblay's first name.

Page 20, under the top photo, it says "Francine Boissinot" when it should have read: "Francine Carbonneau." Our apologies to these two people.
